

Fleni. Producción científica 2019

Se realizaron búsquedas bibliográficas en distintas bases de datos (PUBMED; SCOPUS; LILACS, SCIELO, Redalyc, Google Scholar) teniendo en cuenta el campo filiación.

Los resultados se presentan en registros ordenados por tipo de publicación y luego alfabéticamente por autor.

Se incluye el enlace en el título del trabajo cuando la revista está indizada en la base de datos Medline (PUBMED) , en el caso que la revista no esté indizada se incluye el DOI del artículo y el enlace al texto completo .
